Ghana Revenue Authority (GRA) – Implementation of Cargo Tracking Notes (CTN)

Dear Valued Customer

We would like to inform you of the implementation of Cargo Tracking Notes (CTN) for shipments destined to Ghana, effective from 1 July 2018.

It is the responsibility of the shipper/forwarder at the port of origin to obtain a pre-validated CTN via the CTN online platform and provide the CTN number with the Shipping Instructions. The CTN Number must then be indicated on the Bill of Lading, Manifest and all shipping documents.

It is mandatory for all shipments to Ghana to have a CTN number, without which cargo cannot be cleared at destination. More information can be found on the GRA CTN FAQs website.

We will continue to keep you informed of any further development. If you have any questions, please contact your local ONE office.

Thank you for your support to ONE.
